

Corporate Miners (SL) Limited

5+ Years of Experience in Responsible Mining

Introduction:

- **Who We Are:**

Corporate Miners is a leading mining company based in Sierra Leone, specializing in the industrial extraction of gold and rough uncut diamonds. We are committed to operating with integrity, respect for the environment, and dedication to the communities we serve.

Why Choose Us?

- **Exploration:**

Our exploration activities are the backbone of our mining operations. We use advanced techniques to identify the most promising gold and diamond-bearing areas in Sierra Leone.

- **Extraction:**

We prioritize efficiency and safety in our extraction processes, using cutting-edge technology to minimize environmental impact while achieving the highest standards in mining.

- **Processing:**

Our state-of-the-art facilities ensure that raw materials undergo rigorous sorting, cleaning, and refinement, delivering premium gold and diamond products to our clients.

Our Impact in Numbers:

- **447 Satisfied Clients**
 - **785 Projects Completed**
 - **697 Employees**
 - **948 Cups of Coffee**
